On Saturday, September 22 the Alzheimer's Association is sponsoring the Walworth County Memory Walk '07. The two-mile Memory Walk begins at Library Park in Lake Geneva at 11:00 am and concludes with a cookout, massages and prizes. We are looking for at least 15 people to represent the Lake Geneva Jaycee's team by fundraising and walking in the event. Each walker is encouraged to raise only \$100 in donations.

This will be a fun event and assist an amazing cause!

Please consider this opportunity to contribute to a terrific cause! YOU can be a walker, sponsor a walker, or volunteer for the Memory Walk

If you are interested in walking in the Memory Walk please email or call either David Broaden or Eric Earle and we will provide you the registration forms. Please respond quickly as we expect our team to fill up quickly. Team registration is due by August 18, 2007.

Fundraising will continue through till September 22nd!

§ More than 5 million Americans are living with Alzheimer's.

§ 78 million baby boomers are approaching the age of

greatest risk for the disease .

§ Every 72 seconds, someone in America develops Alzheimer's disease.

§ □ □ □ □ □ □ □ □ □ By 2050, someone will develop Alzheimer's every 33 seconds .

§ 13 percent, or one in eight, persons age 65 and over have Alzheimer's disease.

§ Nearly half of persons over age 85 have Alzheimer's disease.

Alzheimer's is a disease that has and unfortunately will

touch many more of our lives. With your help we can come together for Alzheimer's care and research.
