2008 Lake Geneva Jaycees Easter Egg Hunt!

Despite the unseasonably long winter, and nearly 1 foot Spring snow fall in Lake Geneva just a day earlier, the Lake Geneva Jaycees 2008 Easter Egg Hunt went off without a hitch. Due to the weather we held the hunt inside the Lake Geneva YMCA for the first time in several years. It was truly fitting however to hold this event at the Y, because it gave our big family of Jaycees and little Egg Hunters a chance to find lots of goodies on the brand New Lake Geneva Jaycee Gym Floor!

Thanks again to all who participated and helped this year, from stuffing over 3000 little plastic eggs, to hiding them!
