

Become a Jaycee Today!

Becoming a member of the Lake Geneva Jaycees is a great way to meet new people, make great connections, all while helping your local community. Members are made up of goal oriented individuals from all walks of life. From local business owners and community leaders, to college students and public servants.

- Make your community a better place to live
- Gain entrepreneurial skills and network
- Learn valuable leadership skills
- Support local government and service oriented initiatives
- Make connections in your community
- Expand your horizons locally, nationally and internationally
- Make new friends

The opportunities that await are endless.
