

2008 Memory Walk for Alzheimer's

The 2008 Memory Walk will take place on Saturday September 20th at Library Park in Lake Geneva. Registration begins at 9:30AM with an 11:00 Start time. The Lake Geneva Jaycee's are planning on sponsoring a team for the walk again this year.

The Jaycees also plan to grill free hot dogs again for walkers participating in this years event. This years walk is a bit longer with a 3 mile lake shore walk and a 1 mile historic walk. Once again, all proceeds are to benefit the Alzheimer's Association.

Be sure to check back here for pre-registration and event updates.
